Hi Faith,

You should follow:

1) http://www.fta.dot.gov/laws/circulars/leg_reg_4114.html#chapter2

AND

2) <http://www.fhwa.dot.gov/REALESTATE/ua/index.htm>

Both of the above links are consistent.

Thanks.

Subject: FTA ROW Acquisition Requirements

Hi Cathy –

Hope all is well with you. Looking forward to seeing you next month. Because Alla (?) is no longer at FTA, I was advised to direct my questions regarding land acquisition and relocations to you.

Prior to the release of the DEIS, we have been notifying landowners that their property is being identified in the document as being acquired for the project. When questioned about the acquisition process, we have been saying that we will be following the Uniform Relocation Assistance and Real Property Acquisition Policies for Federal and Federally Assisted Programs. I am looking for any information materials that can be handed out the landowners or tenants.

I found that FHWA has at least two brochures with a June 2005 date. One is for Acquisitions and the other for Relocations. Does FTA have their own brochures? Or should we be using the ones that were prepared by FHWA? Speaking with the environmental person at FHWA-Hawaii, I was told that there may be some differences between FTA and FHWA rules and/or provisions.

Thanks in advance for your help.
