Deanna:

We'd be happy with one paper copy if we can get the electronic versions as well. And we'll ask you to send paper copies of some items to contractors who are reviewing those items. I will let you know those details in the next few days.

Thanks.
Jim

Hi, Jim...I just called and left a message for you on your voicemail and decided to email you also. Please disregard my voicemail if you reply to me via email.

We will be sending out our PE request today and wanted to find out how many hard copy sets of the Financial Plan and make-the-case document we need to send to you.

Thank you for your response in advance...
