

**Before & After Study Consultant Meeting**  
**Thursday, March 05, 2009**  
**Judy's Office, 9:00 – 10:00 am**

**Attendees:**

<b>Name</b>	<b>Agency</b>
Judy Aranda	InfraConsult
Mark Garrity	PB
Melissa Foreman	PB

**Purpose of the Meeting**

To followup on Before & After Milestone Report 1 and Study Plan.

**Agenda Discussions**

- Schedule
- Milestone Report 1
- Consistency between Plan and Milestone Report 1

**Meeting Notes**

Throughout Document:

- All titles of referenced reports, documents and their associated dates should be italicized.
- Before and After Milestone Report 1 document should be in past tense
- Remove FEIS references as source

**Miscellaneous Items for Modification in the Milestone Report 1:**

- List agencies from Plan in section 3.1
- Update Table 1 with one item per line along with the specific source and date per item. Verify sources and values since much of the information is changing.
- TPSS stations updated in Plan & Profile drawings from Clyde (Harvey has information)
- Add FEIS Bicycle Policy statement
- Add enhanced Bus Network statement to be used in FEIS
- Potential for Capital Costs and O&M Costs numbers to change up until submittal
- Remove Milestone II and III references from tables
- Remove Conclusion
- Add information from Stations Table (Appendix) to PMP Stations Table – Judy sent
- Add station area maps from FEIS (4 pgs)
- Finance charges may or may not show in Cost Table – Judy following up
- Incorporate Judy's edits

**Some items to consider adding (from ULINK)**

- For Table 1, Environmental Mitigation location in FEIS
- For Table 6, Add Bus-only ridership

NOTE: Information is currently changing in project documents. Make sure to maintain consistency.
