Hi Justine:

Here are the comments which I had received up through mid-day on Saturday. Also attached is a new comment form that we have under consideration to address the changes you requested. Finally I am attaching two organization charts which are discussed in the report. While I believe you had previously received these, the report seems to say that they have not been received.

I hope this helps, and once again I apologize for giving everyone the January 29th review date.

Regards,

Simon

If you have any comments, please provide them as soon as possible for incorporation into the final report. If you have no additional comments, please let me know via e-mail.

Hope all is going well,
