Subject: Thank you

Aloha Steve,

On behalf of The Outdoor Circle's Public Affairs Committee I would like to thank you and your team for taking the time to come and answer our questions. As I think you could sense we've been quite frustrated at times, feeling that our issues and concerns are not being heard.

You and the PB representatives helped us in clarifying our issues. We would welcome a return visit when you have more to report. In the meantime if we can help you in any way please don't hesitate to contact us.
