Toru,

I hope all is well. I have been traveling (and will be through the end of this week), but wanted to follow-up to see if there were any additional questions or information needed on HRPT's request to be considered in the EIS for a transit stop in Mapunapuna.

I will be available on my cell phone for the rest of the week at 808-351-5105. Please call me when you have a moment to discuss or send me an e-mail with a time I can call you. I would also be available for a meeting next week if you prefer.

Thank you,  
Matt
