Aloha 'Auinala, Cliff:

Although Councilman, Charles Djou has no objections to being videotaped and Toru Hamayasu has declined being videotaped, as the organizer of this OSA Guest Speaker seminar on an "Update of the Honolulu Mass Transit" project and in the best interests of all parties concerned and belated request to videotape the seminar, it is my decision that tomorrow's seminar NOT be videotaped by anyone at all.

I was not planning to videotape tomorrow seminar either. Thank you very much for your understanding on this matter, Cliff.
