Sorry Toru. You are correct. I didn't pick up the subsequent changes you provided on the details. Hope it doesn't impact the alignment we proposed?

Also, not sure which section you plan on changing near the Kunia intersection. Is that on the Waipahu alignment or as it enters Ho'opili? Let me know. We are open to adjustments in the alignment to accommodate other needs. Thanks, dean

The bullets in the letter, relating to some guideway and station details, do not reflect the corrections and clarifications I sent to you on 9/13 and acknowledged by you on 9/14. We also plan to change the alignment at the kokohead end near Kunia intersection.
