Subject: FW: May and June Honolulu PMOC Monitoring Reports

Dear Mr. Hamayasu:

Attached for your information is the above referenced Honolulu Reports from Booz Allen Hamilton, our Project Management Oversight Contractor (PMOC). To help the project move forward into the Preliminary Engineering phase of the FTA Section 5309 New Starts Program, please continue to work and share information with FTA and our PMOC. And thank you for taking time to meet with us in our San Francisco office on July 25, 2007. I believe we all reinforced the importance for you and your staff to work and discuss with the PMOC and the FTA on the best contracting strategies for planning and executing all the project phases successfully. If you have any questions or comments, please call Nadeem Tahir, our Director in the Office of Program Management & Oversight, at (415) 744-3113, or Cathy Luu, our program manager assigned to this project, at (415) 744-2730 or E-Mail Cathy at catherine.luu@fta.dot.gov.

Sincerely,

Edward Carranza, Jr.
Deputy Regional Administrator,

Region IX
