**Subject:** Update

Hi Phyllis,

Sorry I have not been in touch as much as I should the last few weeks, but I traveled the entire month of June and then had all four wisdom teeth removed last Monday. However I am back to fighting form this week and catching up on work.

Thank you for your updates to the June report. FTA gave us some comments on our May Report so I am trying to incorporate your comments and their May comments into the June Report. I should issue it to FTA on Monday. I also have some additional information to provide to you for the development of the SSMP. I plan to transmit that information as well as a sample Real Estate and Acquisition Management Plan (RAMP) by the end of this week. I am concerned that the RAMP may be too big a file, so please let me know if you receive it.

By now you should have all your proposals in and the review of qualifications started. How many proposals did you receive and from whom? Did you issue any addenda before the due date? Please advise, I would like to keep up with the process.

I hope all is well with you, and please forgive me for just getting back to you.
