Aloha Ed,

Thank you for your kind words and it certainly was our pleasure to meet you and your PMO staff. We too are looking forward to working with you and make this project happen after so many years of delay. I believe Phyllis and Justine can resolve the PMOC report transmission problem shortly. Look forward to having you here again.

Toru

Justine: Can you please resubmit on my behalf to the Honolulu folks as noted below. You can attach the original email if you wish. I believe you can't make it a practice to zip any files to this particular grantee. Thank you.
