Aloha kakahiaka (good morning), Justine. Toru is currently on the mainland. He met with FTA HQ staff yesterday and will be returning to work on Friday.

Attached is the draft notice for PE-EIS services that is also being reviewed by City Purchasing and Corporation Counsel. The accompanying listing of tasks is not yet complete. Any comments you have to the draft notice will be appreciated by this Thursday (5/24).

The contract with InfraConsult is attached. The contract incorporates the RFP, which is humongous. If you wish, you can look at it during your next site visit.

A hui hou (until we meet again),
