Subject: PB FTP Site File Download Notification Honolulu Council Hearings Report
Importance: High

The linked file contains the body of the hearings report, which includes responses to issues raised on the AA. It also includes Attachment G to that report, which is the City Council's summary of testimony received (effectively a list). The actual testimony is available in the other attachments, but as it is over 3,000 pages I have not attached it. It may be downloaded from the project website at:

http://www.honolulutransit.org/more_info/library/default.aspx?page_size=10&page_no=1&date_filter=&publication_type_filter=1&sort_field=pubdate&sort_order=descending

Again, please let me know if you would like a paper copy of these materials.
