I forgot. You are right, Simon will come too. Infraconsult LLC is the name of his new firm. Schneider, Wulkan, and Simon are the managing partners. We hired them for $11.5 million to manage a PE/EIS consultant.

How about Simon Zweighaft? I've heard a rumor that he might attend as well. If so, I need the official name of the "ex-PB guys" company he's with.

Wayne Hashiro, Managing Director, wants to joint us. Wayne is an engineer but he is not into forecasting models. I am trying to arrange meetings with our Congressional instead, for him so that he doesn't have to sit through all of our meeting. Pls include him on the list of visitors in case he can join us.

Toru:

The form for the security folks needs to include the name and organization of each visitor. I'm assuming that Mark Scheibe, Bill Davidson, and Joel Freedman will be here. Anyone else?

Thanks.
Jim

Thank you, Jim. I'll be there at 8:45 if I don't get lost. I'll arrive in DC on Sunday and leave on Tuesday for Colorado. I am staying at Hyatt Crystal City.

Mark:

We moved on May 4th and are reasonably well settled. I have a conference room for the day for our meeting. You will be my first visitors and, since I haven't been able to find anyone here who's had visitors, may be our first experience with the new security procedures. Among other things, I have to submit a form to the security office by COB the day before your visit. And some visitors get a red "Escort Required" badge while others get a blue "No Escort Required" badge. I have no idea what the criteria are, so we'll see what you folks get.

How about 8:45am in the lobby of the main entrance to the building on New Jersey Avenue? I will meet you there in case security thinks that you are somewhat shady and gives you red badges.

Jim,

Have you gotten settled into your new quarters? How far in advance of the meeting time (9:00 am) should we arrive in order to clear security?

OK, it's on my calendar. Who's coming and what are the topics?

We'll be in the new DOT HQs by then. It's at intersection of New Jersey Avenue and M St. in Southeast. Use the eastern exit from the Navy Yard Metrorail station on the Green Line (so transfer from the Red Line at Gallery Place or the Orange/Blue lines at L'Enfant Plaza and board a car near the front of the train). We don't know any specifics about visitors' entrance or security screening yet.
