Mark,

I revised a handful of slides that precede your section regarding the CMP (moved it to after the EJ portion); and deleted the slide that identified performance measures NOT used in the transportation service effectiveness evaluation.

Because of its size, I am unable to email the file and have instead attached a pdf version of it. I apologize for any inconvenience this causes you. Please call me tomorrow morning before 9:00 AM if you have any concerns or changes; otherwise, I will see you at the TAC meeting.
