I hereby certify that the above is a true record of action by the Council of the City and County of Honolulu on this BILL.

DENISE C. DE COSTA, CITY CLERK

DONOVAN M. DELA CRUZ, CHAIR AND PRESIDING OFFICER

Related Communications:

No.	From
CC-230	Councilmember Romy Cachola to Transportation Services Dept. – Attaching questions on information in the “Honolulu High-Capacity Transit Corridor Project Alternatives Analysis Report (“Alternatives Analysis Report”) and the “Draft Honolulu High-Capacity Transit Corridor Project Environmental Consequences: Supporting Information (“Environmental Consequences Report”).
CC-242	Councilmember Romy Cachola to Managing Director – Requesting additional copies of (1) Alternatives Analysis: 19 sets; and (2) supporting documentation: 17 sets.
CC-245	Councilmember Romy Cachola to Transportation Services Director – Requesting the documentation of environmental effects of the various alternatives – i.e. any DEIS documentation short of the FTA’s review and approval – that has already been prepared by your department and the project consultant.
CC-246	Councilmember Romy Cachola to Theresia McMurdo, Estate of James Campbell – Informing that at the Transportation and Planning Committee’s public outreach meeting of November 16, 2006, you testified that the Kapolei region will, in the next 20 years, produce \$3 billion in net state and city taxes and requesting that she provide information as to how much of that total was comprised of city taxes.
CC-247	Councilmember Romy Cachola to Transportation Services Dept. – Requesting whether any studies were done on the cost to the taxpayer of urban sprawl if a rail fixed guideway is not constructed.
CC-248	Councilmember Romy Cachola to Transportation Services Dept. – Requesting a check on the amount of toll revenues being generated by the toll road in Chicago that was sold to Brazilian investors.
CC-249	Councilmember Romy Cachola to Transportation Services Dept. – Requesting information relating to the amount of federal new start funds that will be available to Honolulu should the Council select a rail fixed guideway as the locally preferred alternative for the Honolulu high-capacity transit corridor project.
CC-250	Councilmember Romy Cachola to Transportation Services Dept. – Requesting 19 hard copies of the Alternatives Analysis Report and 17 hard copies of each of the supporting documents.
CC-251	Councilmember Romy Cachola to Transportation Services Dept. – Request that the department transmit at least one hard copy of the “Alternatives Analysis Report” to each public library on Oahu to be available for public review.
CC-252	Councilmember Romy Cachola to Transportation Services Dept. – Informing that concerns were expressed about the burden on Oahu residents of the 0.5 percent general excise and use tax surcharge for funding a fixed guideway system, therefore, requesting that the department submit any study that the department conducted on the burden or impact of the surcharge on the residents of Oahu.
CC-257	Councilmember Romy Cachola to Transportation Services Dept. – Requesting an itemization of the payments by the department to Parsons Brinckerhoff Quade & Douglas Inc. for their work on the alternatives analysis.
CC-258	Councilmember Romy Cachola to Transportation Services Dept. – Requesting the department be present at the Transportation and Planning Committee meeting on

November 30, 2006 to respond to questions relating to the costs of and financial plans for the fixed guideway alternatives.

- [CC-253](#) Councilmember Romy Cachola to Transportation Services Dept. – Requesting more information relating to managed lanes alternative.
- [CC-261](#) Councilmember Chales Djou to Clyde Shimizu, Parsons Brinkerhoff – Requesting information used to determine the \$2.6 billion dollar price for an elevated tollway in Honolulu which is based on the Tampa, Florida elevated tollway which cost \$420 million to build.
- [CC-262](#) Clyde Shimizu, Parsons Brinckerhoff Quade & Douglas, Inc. to Councilmember Djou – Informing that his request for information used to determine the \$2.6 billion price for an elevated tollway in Honolulu should be directed to the Department of Transportation Services.
- [CC-268](#) Councilmember Charles Djou to Transportation Services Dept. – Requesting a copy of the PBQD Report, entitled “Financial Feasibility Report” dated 11/30/06, relating to the detailed cost breakdown for the transit proposals.
- [CC-269](#) Lori Wingard, Chief of Staff to Councilmember Charles Djou – Attaching a FD1 (DJOU), version “A,” dated December 6, 2006 for Bill 79 (2006), CD1 relating to transit by incorporating that the selection of the LPA shall be the reversible option of the management lane alternative.
- [CC-270](#) Lor Wingard, Chief of Staff to Councilmember Charles Djou – Attaching a copy of FD1 (DJOU), version “B,” dated December 6, 2006 for Bill 79, CD1 relating to transit by incorporating a sixth choice for the selection of the LPA, adding the reversible option of the managed land alternative.
- [CC-263](#) Councilmember Charles Djou to Transportation Services Dept. – Requesting information used to determine the \$2.6 billion dollar cost for an elevated tollway in Honolulu which is based on the Tampa, Florida elevated tollway which only cost \$420 million to build.
- [MM-150](#) Mayor’s Office of Culture and the Arts – Support rail.
- [MM-002](#) Mayor – Returning Bill 79, CD2, FD2 (Final #2) approved on 1/8/07.
(2007)
- [D-895](#) Transportation Services Dept. – Submitting a resolution relating to the support of a fixed guideway alternative as a result of the Alternatives Analysis (AA) and selecting a certain alignment for the fixed guideway as the locally preferred alternative (LPA).
