Subject: RE: Alternatives analysis doc for the Honolulu High-Capacity Transit Corridor Project

Hi, Andre...the report is available for \$3.00 on CD; currently there is no hard copies available. This report is also downloadable from our website www.honolulustransit.org. If you would like to receive this report, please send in your check for \$3.00 made payable to City and County of Honolulu. We will send you the CD upon receipt the check.

The planner/contact person for the project is Faith Miyamoto. You may contact her via email at fmiyamoto@honolulu.gov.

Thank you for your patience.

Hi Deanna – I thought you were the person I spoke on the phone. He told me to email you address, and I assume it was his. In any case, may I know the planner-in-charge's name and contact info, so I can contact him directly if I have any follow up questions? Thanks.

Hi, Mr. Chandra...I will forward your email request to our planner for her action when she returns to work on Monday.

Thank you.

Mr. Chang – as per our conversation earlier, please send me a copy of the alternatives analysis. Also, is there a contract person/planner in charge if I have some follow-up questions? Thanks.
