Subject: NBD 18 meeting - Thursday January 11 - Transit alignment information

Gentlemen -

I am the chair of the Aliamanu/Salt Lake/Foster Village Neighborhood Board No. 18.

The Board would appreciate if representatives of the Department of Transportation Service attend the Board's meeting on Thursday January 11 to discuss the process for selecting a transit system Minimum Operating Segment, and to discuss whether that process will include further analyzing the Salt Lake Boulevard alignment to investigate projected ridership impacts of adding and/or changing station locations.

Please call me at 586-0285 (work) if you have questions or need additional information.

Aloha,

Grant Tanimoto
