Subject: Navy Response

Hi Lynn –

I wanted to talk to you about the November 22, 2006 Navy response.

DTS Director was not completely satisfied with the response. He did not like the “acceptable mitigations” portion. Thinks it does not really close out the Camp Catlin alternative. DTS Director asked if someone from the Navy would be at tonight’s Council meeting at Radford High School to give a definitive “no” to Camp Catlin.

This is the gist of what I wanted to talk to you about. I will be out to lunch until about 1:00 p.m. and then I have a meeting from 2:00 p.m. to about 3:00 p.m. So if we miss each other, this is what I have been trying to relay to you.
