Faith:  
I got the priority mail package this morning. We have city council members visiting from Honolulu later this morning as well. And it's going to be 70 degrees here today (after a week of 50-degree highs), so it's a real aloha Thursday at FTA.  
Thanks.  
Jim

Hi Jim –

On Friday, November 3, 2006, we sent you two copies each of the Alternatives Analysis Report for the subject project in two separate mailings. One copy is intended for Jim Barr. You should receive two packages – one by U.S. Postal Service and the other by FedEx. I screwed up and sent the first set by U.S. Postal Service; before Toru reminded me that it may be a while before you get it.

Please expect these packages, if you have not already received them. Thanks.
