Clyde, I have asked WOA to forward me the revised map if it is ready before COB this Friday. Hopefully, I can get you the sneak peek by then. If not, they will bring it to the meeting on Monday.

Pat,

The attached map is the same as before we last met. Would be better to see the revised map before the Monday meeting.

Toru, Faith had asked me to forward the alternatives map to you and Clyde... Attached below is the map that we are currently using, tho we are working to revise it a little to address transit comments that we previously received from DTS.
