HI Lawrence,

Was sent this reference regarding FHWA, Community Impact Assessment. Wondering if you used someone similar for the Honolulu Mass Transit Corridor Project.  
[www.ciatrans.net/CIA\\_Quick\\_Reference/Purpose.html](http://www.ciatrans.net/CIA_Quick_Reference/Purpose.html)

We are having a teleconference meeting on 9/6 to finish the agenda. Person from FTA who is doing Transit on Wednesday afternoon emailed and indicated that the format would be more appropriate as a presentation rather than panel, because of the specific subject matter that the C&C of Honolulu wants FTA to cover.

I will find out if there will still be a Title VI/EJ panel, and will let you know by next week - Could still use you as a reference.

Aloha,

Ben
