Subject: UH and transit

Gene, Leon, and Peter:
I would like to get together to talk about the potential for mass transit that would link our campuses. Right now, there is a potential for a plan to come from UHWO to UHM. I would like us to look at a potential for there to be a spur to LCC and a potential extension to KCC/Waikiki.
We are currently exploring alternative locations for the transit stop in Moili`ili. If there were a potential to link with KCC, it might influence our proposals.
I hope that you will be willing to meet to discuss this.
My secretary, Karen Ikoma, will work with your staff to set this up.
Mahalo,
Denise
