Subject: RE: Please Review the Attached Document: Water Resources Graphics.pdf

Where are the final versions of these graphics?

Thanks-
Lawrence

Subject: Please Review the Attached Document: Water Resources Graphics.pdf

Hi Lawrence,

I made this graphic for Jan for the Water Resources Tech Report. She said to give it to you.

Thanks, Edie

Please review and comment on the attached document: Water Resources Graphics.pdf. Either Adobe Acrobat 6.0 or later, or Adobe Reader 7.0 or later, is required to participate in this review.

1. First, open the attachment.

2. Then, make your comments directly on the document by using the tools on the Commenting toolbar, and/or the tools available under the Comment & Markup button.

3. After you have finished making your comments, click the "Send Comments" button on the Commenting toolbar to email your comments to the requestor.

You are able to review and comment on this PDF file using the free Adobe Reader 7.0 (as well as Adobe Acrobat Standard and Professional) because the person sending you this review had used Adobe Acrobat 7.0 Professional to create and send the attached PDF file. For more information go to <http://www.adobe.com/acrobat/>.

You can download Adobe Reader 7.0 for free from <http://www.adobe.com/products/acrobat/readstep2.html>
