Subject: RE: 3D models for transit visualization

Hi Janna,
I just uploaded the models we have created so far for the project, they're all in a zip file.
Let me know if you need anything else.
Thanks,
Jay

Jay, here is the login information you need to ftp the 3D models to us. Let me know if you have any problems.

ftp://66.91.141.6/

User: pbworld
Pswd: pb+2=4

Also, let me know when the textured/detailed models are available.

Thanks,
Janna H. Cole
