Thanks Faith. Don't worry- I prepared them for Ray's review and they are in his office. How is everything going for you? Have you been back to the Macaroni Grill? That was really fun – I could go for some of their bread now. I have been to Strings Italian restaurant with my neighbors since I've been back. It is foggy today in SF, but maybe sun later with a warming trend for the weekend.

Have a good day.

Subject: Honolulu Cooperating Agency Request Letters

Hi Donna –

Attached are the revised cooperating agency request letters that include specific concerns that we would like FHWA and SDOT to address.

Please note that I did not send to Ray Sukys. I was not certain whether you had other edits that you wanted to include prior to him seeing letters.

Let me know if there is anything more that needs to be done by us.

Also, will you be sending a designation letter (?) to the SHPO, officially allowing us to coordinate directly with them?
