Aloha, Sherry:

Thank you again for the opportunity to brief your Association...Yes, we would be able to accommodate your Wednesday, July 26 @ 11:30 a.m. request. Lawrence and I will both be able to attend, for a group that large we would like to use our PowerPoint Presentation. The complete presentation will last a little over 20 minutes, allowing the reset of our allotted time for Q&A. We can provide our own laptop & projector. Would KIA be able to provide a microphone? Better yet, if we could have one mic for the speaker and another mic for attendees to use for asking questions, that seems to help.

I will be out of town next week and confirm details when I return, until then I have added July 6 to our calendar.

Mahalo,
Nalani

Hi Nalani

The Board of KIA would like to thank you for taking the time to attend our Board meeting this past Wednesday. They thought it was of great interest to them and would like all KIA members to also see and hear the presentation. I emailed Lawrence to see if Wednesday, July 26th from 11:30am to 1:30pm would be good for him. We are checking with Victoria Ward to use the same room as Wednesday - theater style for 60 to 100 attendees (we ask for RSVPs as we provide lunch).

I will await Lawrence's response as he checks his calendar and keep you posted.

Aloha
