Thank you...

We will be there at 4:30 to set-up our laptop and projector. The speaker will be Lawrence Spurgeon from Parsons Brinkerhoff, Lawrence will give do a self-introduction as part of his presentation. He will move through the formal presentation to leave time for Q&A. Yes, he will be able to address data collected to date in regards to an underground transit alternative. He will be able to address potential transit lines, but it is not directly related to current bus stops.

See you tomorrow @ 4:30.

Mahalo,
Nalani

Aloha Nalani
Here is an update.

We meet tomorrow at 5pm. I will be there at 4:30 and you may set up at that time. We do have a screen. I have allotted you 30 minutes. Due to a funeral service, we will adjourn right after your presentation.

You may park in the parking area between the sanctuary and the social hall. I am assuming that your presentation will address the underground transit system? Will you also be addressing the bus route along Kawaiaha'o street?
