[http://www.fta.dot.gov/legal/federal\\_register/2004/16290\\_17935\\_ENG\\_HTML.htm](http://www.fta.dot.gov/legal/federal_register/2004/16290_17935_ENG_HTML.htm)

Here is the link to the NOI that was actually published in the FR. Based on this morning's discussion, it should have been an early scoping notice, not an NOI. I think that this error doesn't matter as long as we publish a new NOI at the end of the AA that sets the record straight and starts the scoping process for determining the scope of the EIS.
