Aloha Lawrence,

A'ole pilikia regarding the misspelling of my name. We cannot use the files you sent over because we the Character Generator that we use don't work with PDF files. But if you can send it to us as a JPEG file, the CG unit can work with that. Please let me know if this is do-able.

Mahalo,
Kawika

Kawika,

Sorry - I just noticed I spelled your name wrong earlier today. I think I've got it right now - I just can't type. Again, big sorry.

The linked file from our FTP site includes .pdf files with maps of the transit alternatives that we are studying. We plan to use these materials for the show taping on Thursday. E-mail Laura or I if you have any questions.
