To the Agency Representatives to OMPO's OWP:

Attached is the agenda that we just received from FTA. The IPG meeting this year will be on Thursday, May 4th at 9 a.m. in room 5204 of the Federal Building. As you can see the OWP section is only part of the discussion. The rest of the morning will be devoted to other topics:

- § Report on the 2030 ORTP
- § Report on TIP & Short Range Project Priorities & Planning
- § Coordinated Human Services Transport
- § Congestion Management Systems
 - § Highway
 - § Transit, including Honolulu Transit & Interagency coordination
 - § Bike/Ped
 - § Freight– airports & harbors to highways interface

Resources - Outreach - Training

- § FHWA/FTA Transportation Planning Capacity Building (TPCB) Program
- § SAFETEA-LU

I will be following up with emails to each department about what I anticipate the questions from the federal agencies will be. In the meantime could you circle the date on your calendar, make sure that someone from your department will be attending the meeting, and, for now, get the status of your work elements from past OWP's?

If you have any questions, give me a call.
