Subject: Honolulu High-Capacity Transit Corridor Project - Scoping Report

Hi Everyone –

It will be almost a month since I last checked on the status of your review of the Scoping Report that we sent you in February. Since our submittal of the report, we have distributed two newsletters that have stated that the Scoping Report will be at the project website. After discussing this matter internally, we have decided to post the Scoping Report on the website next week. If you have any comments, please transmit them to me ASAP.

Thanks.
