Lois:

Many thanks for your quick review and masterful wordmanship! We've added one or two words and Region IX concurs with the draft.

To TPE staff: In the interest of time will you all further "shepherd" this draft for final clearance and signature? Thanks!

Leslie

Leslie -- Not sure I have all of the issues down pat, but I took a shot at editing the letter you sent. Hope this helps. Lois

Hi Guys:

As requested by the Deputy Administrator last week Thursday during our discussion of the Honolulu project, attached for your review and editing is our "first cut" at a proposed letter to Honolulu's Mayor. As you will recall, the third and final vote by the Honolulu City Council to increase the general excise tax to support a major capital investment project is scheduled for August 10th, and the Deputy's intent was to issue the letter ASAP.

Give a yell if there are questions. Thanks!

Leslie
