Gentlemen, DTS is planning some rather significant changes to its BRT project. I think the changes are significant and will have an impact on the NEPA work and New Starts submission. Please take a look at the DTS' attachment and let's talk about this sometime soon. Thanks, Ray

Hi Donna -

Attached is a copy of a draft of the "white paper" that Ray suggested we prepare. Could you take a quick look at it and tell me if it provides the information that you need? Thanks.
