Hi Joe -

This is to follow-up on the voicemail message that I left you earlier.

As we are preparing the Supplemental Draft Environmental Impact Statement for printing and submittal for publication in the Federal Register, I was calling to confirm the submittal requirements. After I left my message, I spoke with Tawanna Glover and she provided me with the information that I needed. We are looking at a March 15th submittal with Federal Register publication on March 22nd. I told Tawanna that I would be in contact with her.

Thanks for all your help.
