On October 26, Region IX's esteemed former Director of Planning and Program Development, Robert Hom, was honored by the City and County of Honolulu. A Proclamation was issued by Honolulu Mayor Jeremy Harris declaring October 26, 2000, as "Bob Hom Day," in appreciation for Bob's years of assistance during his tenure at FTA that enabled Honolulu to acquire the full benefits of FTA's programs and funding. Bob left FTA last January to join FHWA's Western Resource Center and concluded his federal career at the end of September.

October 26<sup>th</sup> also happened to be Bob's birthday and at an afternoon reception in our office, where staff of Honolulu's Department of Transportation Services joined us via telephone, the Regional Administrator presented Bob with the official Proclamation and a slice of cake in recognition and celebration of his accomplishments.
