Ed, we can talk about the letter immediately after the EMT call. I'll ask the TPE staff to come by my office. Can you please dial us on my direct line: 202-366-0789? This will have to be a brief call, as we have to bring the Honolulu visitors up to the Administrator's office before 1 PM. Susan

Nancy-Ellen: Renee is updating the NTP letter to address the most recent inputs/concerns to get to a FTA position. She plans on passing around the draft letter to support this call. We should be available here in Region IX tomorrow anytime outside of 10 AM thru noontime PST. Maybe we can assemble right after the Honolulu council members/FTA staff conference call? Or maybe at 9:30 AM PST right before the council members meet with Peter? Preferably the earlier time – the sooner the better. I believe either time would work for us. Leslie is tied up both Tuesday and Wednesday so he likely would not be available, but he has shared thoughts internally in support of this updated draft. Please advise.

Susan, Dorval and Leslie:

We would like to hold a ½ hour discussion ASAP on Honolulu. I think TCC, TPE and Region IX needs to be all on the same page. Please let me know when you would each be available either later today, tomorrow or Wed. at the latest.

Thanks,
Nancy-Ellen
