## **MP-9 CONSTRUCTION PARKING & WORKER TRANSPORTATION**

### **MP-9.1 GENERAL**

The Core Systems Contractor shall provide parking for all of its employees and Subcontractors. The City will make no provisions for construction parking other than allowing it within the designated Core Systems Contractor staging areas pursuant to the City's approved permits.

### **MP-9.2 RESTRICTIONS**

Due to the limited amount of parking available to residents and businesses in and around the locations of the Work, the Core Systems Contractor and its Subcontractor personnel shall not park their personal vehicles in the public right-of-way or in commercial areas where general parking has been prohibited for construction or safety purposes. The Core Systems Contractor shall not allow personnel to park their personal vehicles in private business parking lots without prior approval from the business owner.

On-street parking by Core Systems Contractor employees will not be permitted within vicinity of Work site. During the actual hours of Work, only construction vehicles absolutely necessary to construction shall be allowed within the safety zone or allowed to stop or park on the shoulder of the roadway with the approval of the City.

### **MP-9.3 PROXIMITY**

It is the Core Systems Contractor's responsibility to identify specific off-site and off-street area(s) or portion(s) of lots for the use of construction employees during the working day in close proximity to the Project Site to serve construction Work adequately and result in minimum interference with performance of Work. The City will make no provisions for construction parking or worker transportation.

### **MP-9.4 ENFORCEMENT**

The Core Systems Contractor shall ensure that employees of the Core Systems Contractor and its Subcontractors are prohibited from parking anywhere other than the Core Systems Contractor furnished parking area. Employees will not be allowed to utilize commercial parking facilities as that reduces/eliminates the available parking for the customers/employees of the local businesses.
