Ray and Ted:

Carl is very concerned that we are not pushing the PA signing process hard enough to get everything done by the 18th. Can you push harder? Is there anything that I can do here to push it along?

I don't know if Liz talked to you about what PA signatures we need before signing the ROD. We just need the essential signatures on the PA which are, if I am not mistaken: FTA, City, SHPO, Navy, and ACHP. We can continue to try to get non-essential signatures (i.e., consulting party signatures) on the PA after we sign the ROD, and whether we get them or not is inconsequential.

p.s. thanks for sending the mitigation table to the City.
