TRAFFIC ADVISORY: 24/7 LANE CLOSURES PLANNED ALONG KAMEHAMEHA HIGHWAY IN PEARL CITY

The Honolulu Authority for Rapid Transportation (HART) wants to inform drivers of lane closures along Kamehameha Highway in Pearl City beginning Monday, February 9 as part of rail construction.

The 24-hour lane closures, which began Monday evening, February 9 and running until mid-2015, are needed to allow crews to safely conduct shaft and column foundation work along the highway median for the planned rail guideway:

- ∞ **One eastbound left-turn lane from Kamehameha Highway onto Acacia Road fronting Pearl Highlands Center and the inside eastbound through lane will be closed 24 hours a day. U-turns will still be allowed in the eastbound direction of Kamehameha Highway at the Acacia Road intersection during the work.**
- ∞ **One westbound left-turn lane and the inside westbound lane of Kamehameha Highway near the Acacia Road intersection will also be closed 24 hours a day as part of the column foundation work.**

Motorists who routinely use this stretch of Kamehameha Highway should provide themselves extra time during their commute.

For updates on construction work days and times, visit the project website at www.honolulustransit.org or contact our hotline at 566-2299.
