The Esteemed W.L. Lee, Esq., J.H. Smith, G.E. Robertson, John Ii, J, Kekaulahao, Greetings: I, Kewa, of Kuwili in Honolulu of the Fort, hereby enter my claim at Kuwili, with two lo`i in one parcel, bounded as follows: mauka, lo`i of Moeino, Waikiki, land of Kamaua, makai, land of Poomanu and of Kamaala, Ewa, Waianue, lo`i of N. Kekai. I got this from Kaniku before the commotion caused by Lord George Paulet, and have occupied it continuously since then, with no objections from anyone.

Because of my desire not to lose this place, I had entered a request to the Minister of the Interior with the diagram of a survey by Makalena, but have not heard his decision. When I heard that the people who lived on the fort lands could re-enter their claims, I decided to enter my claim before you, on this day.

With thanks,

KEWA, X his mark

Poomanu, sworn, I have seen his land at Kuwili ili of Honolulu, Oahu. there is only one section, two taro patches, and the boundaries are:

Mauka, Moeino's own land

Waikiki and Makai, Poomau's land

Ewa, Kekai's land.

He has received this land from Kaniku when Kinau was serving as governor on Oahu. There are no koele's in it nor are there any poalima's. He has lived peacefully without objections to the present time. Because M. Kekuanaoa forbade it he did not enter a kuleana claim. I, Poomanu am the man that the governor has put in charge of Kuwili.

Kapulani, sworn, I have seen Aholo's claim in the ili land of Kuuili [Kuwili] of a house site and a patch together with a pasture.

Mauka, Ukumea, Keonekapu

Waikiki, Kapulani's place

Makai, Kuuili pond, ditch.

Land received from Wana, the konohiki before Kaniku and he (Aholo) lived there until Wana's death. Kaniku was the next konohiki, he was followed by Poomanu and it was peaceful until the konohiki objected in 1848, in that he did not want a claim to be filed. He preferred people living under him.

Kalalilo, sworn, I have seen Aholo's claim of a patch and a house site section in the ili land of Kuuili just as Kapulani has related in the above, but I had seen him living there at the time of Wana, the first konohiki. After his return from the battle of Kauai.

Aholo, sworn, I have seen this claim of Kapulani, a house lot in the ili land of Kuwili, Honolulu, Oahu.

Mauka, Kahele's lot

Waikiki, konohiki

Makai, ditch

Ewa, Aholo's place

Land from M. Kekuanaoa in 1849. Kapulani's lot is old and has been cut through by King Street leading out to Leleo, so Holiliamanu asked for a place for Naawailua and whi wife, Kapulani. M. Kekuanaoa gave them the place which Kimo had and where the slaughter house is located now. Kapulani lived there and in 1849 Holiliamanu told her ther he would register the claim in her name and return the papers to her when it was forwarded to him. Afte his death and later in 1849, it was discovered that Kele and Holiliamanu's wife had possession of the hosue lot so they evicted Kapulani. She complained to Governor M. Kekuanaoa about this, but, due to the fact that the land officers had made this valid, it was not possible to refute it. M. Kekuanaoa then gave Kapulani this place for having lost their place. This is the interest she is claiming now.

Hinaiuka, sworn, the statements made above are true, I have known in the same way.

10 March 1854

Decision made – The place on which Kapulani is now living shall be for her in place of the place which was taken by Holiliamanu.

**No. 275, Henraij Zupplein, Claimant, Honolulu, 7 December 1846  
F.R. 172-173v1**

To the Honorable Board of Commissioners for quieting Land Claims  
Gentlemen:

In compliance with your requisition I respectfully beg to state that I lay claims to the following lands, namely

1st a plot of land situate on what is generally now called Broadway in Honolulu, formerly known as King Street of the size & boundaries following:

[DIAGRAM] Title in diagram "Rising Sun Public House"

The above plot of land was given me in the year 1822 by Kalaimoku (Pitt) in return for services rendered, and stock and goods furnished to him by me. I built a house many years ago on the above land which was known as the dog & bell, and I have since rebuilt & improved much upon the land, and my present house is known as the Rising Sun Public House. I have held possession about (23) twenty-tree years.

#### **[margin note:] No. 275B**

2nd. I lay claim to lands (the limits of which are not precisely defined) situated at Palama, one called "Kilikili Awa" on the upper part thereof; and consisting of 9 kalo patches; and on the lower part to land called "Poe Poe," consisting of 19 or more kalo patches. These lands are intersected by lands belonging to other people, and were bought by me of his Majesty, Kamehameha 1st in the month of November 1813 or thereabouts. I gave him 40\$ in cash, powder &c for them.

I shall feel obliged by your notifying me when you may require my attendance; or any explanation, or to produce witnesses if required; and I am willing to undertake to pay all proper expences [sic] attending these my claims, and have the honor to be, Gentlemen, &c. &c.  
Signed, Henraij Zupplein

#### **F.T. 34-35v2**

Claim No. 275, Henraij Zupplien, October 6 [1848]

Consisting of 2 claims.

1st, In Honolulu, nearly opposite the Bethel in Chapel St.

3. In Palama, the upper part called Kilikili awa, having 9 kalo patches. The lower part called

Poepoe consisting of 19 kalo patches, as stated in the claim.

William Kanui, sworn testified, It is bounded by:

Chapel St. on the sea side  
Yard of Nicholson, East  
Hikiau & Austin, North  
Mainae, West.

Claimant has lived there from 1823, when witness first knew him. Kalaimoku came here after that time; who gave liquor &c to sell for Mutual profit. Claimant has lived on the land ever since. Witness acted under them in receiving, trading, and paying work people and became acquainted with claimant in that way. The land is fenced in; and was larger at first than it is now; part having been taken off by the road, and people building. No one can dispute the Right of claimant to this land.

## 2. Palama

Kalau, sworn, He knows the Palama land.

Kalakuohio's land is East  
Kapaloa is south  
A. Aikuo[?] is West  
Kauka Maku, North

Claimant has owned the place since Kamehameha 1st from when he got it, and has held it ever since, having lived there from youth till grown old. There is only one resident, named Kahalau. This relates only to Kilikili awa, the upper part.

[margin note: lower part]

Hanunu, testified on oath, The land is in Palama &

on the North is a small stream  
On the east is Kaainapuaa  
On south, Pulolei  
On West, Naowala.

It was given by Kamehameha to claimant and has been in his possession ever since. There has been no counter claim to it. Only one man is living on the land named Kalua, and he is under claimant.

Kalua, sworn stated, The testimony of Hanunu is true concerning Kilikili awa. He knows claimant has been a long time in possession. He has heard from time of Kamehameha 1st and never heard of any counter claimant or other konohiki.

Poepoe is bounded:

On North by Kaikai's land  
 On East and South by William Harbottle's land, and  
 Kaikai's extends on the West.

This land has been regularly in the possession as long as the other. Some of the kalo patches were taken off a long time ago, originally belonging to the land. And the Konohiki was never called to account; nor the patches restored. Witness has known the claimant to have lived there ever since Kaahumanu's time and always heard the land was obtained from Kamehameha 1st. he thinks there are 7 patches and a fish pond. The claimant has had undisturbed possession to the present time.

A freehold title voted.

**N.T. 321-323v2**

No. 275, H. Zupplien, October 6 [1847]

Kanui, sworn by the Word of God and stated, I had seen Zupplien in the -year 1822 living on the place that he is claiming now and in the year 1823 Kalaimoku had come and had given that place to Zupplien. It is mauka of Chapel Street; on the east is Kale and Lokai's lot; on the north, is the store of the husband of Kaulukane, also the lot of Hikiau and on the west side is Mainae's place. This is Kapiliena's (Zupplien) property from Kalaimoku. Goats and liquor are the reasons Kalaimoku had given that land to him. The place has been enclosed and there is a house in there. I had been to his house frequently at that time. No one else has interest there but it is his place that has been taken away in small sections. I have not seen the land at Kapalama.

Kahalau, sworn by the Word of God and stated, I have seen Zupplien's property at Kapalama. Kilikiliana is the name. Keahupuaa is on the northern side; Kahakuohia on the east; Kekai's property on the south and Ahaikuou is on the western side. Zupplien had acquired this land during the lifetime of Kamehameha I and he had received it from the king. He has lived there since then to the present time; no one has objected.

Hanunu, sworn by the Word of God and stated, This land is at Nuhelewai and Kilikiliaua is the name.

A stream is on the north  
 Kainapuaa on the east  
 Puulole on the south and  
 Nauole is on the western side.

Zupplien had received this land during the reign of Kamehameha I. Kamehameha had given it to Zupplien. He was the only konohiki there. 6 attendants are living there with Kalua as caretaker.

Kalua. sworn by the Word of God and stated, My knowledge is the same as the one that has been revealed here concerning the land. I have heard that Zupplien had lived there from Kamehameha 1's time. There is also a lele there named Kapoepoe. The property of Kekai is on the northern

part of that lele;

Harbottle's property on the east  
and Kekai's place is on the southern and western parts.

That land is in our possession but some patches are gone. This lele and the land, too, are from Kamehameha I. The patches had been given away at the time of Kaikiowa. I had seen Zupplien living there during the lifetime of Kaahumanu. I have heard only that his land had been from Kamehameha I. The lele has 19 patches and one pond. Three were given

LCA No. 275-B (Kapalama) to Henry Zupplien, Award

 Claim No. 275-B Henry Zupplien

This is a claim for 3 distinct pieces of land in the district of Palama, Oahu. These lands are called "Doejoe" "Kilikiliawa" (Makai) and Kilikiliawa (Mauka)

From the testimony taken, there can be no question of Claimant's title to these lands: they having been given to him by Kamehameha I. and ever since occupied by him in undisturbed peace.

According to the first Rule of the Board the Claimant's title is clear, and we therefore award to Henry Zupplien, a freehold Estate - less than allodial, or in other words, a life Estate - in said lands; which he may convert into a fee-simple title by commutation according to the law. The boundaries of these lands are described in the annexed Surveys of "J. Mabel Esq." dated 23 February 1848.

The stream in the middle of Kalauao is the boundary on the west, there also it adjoins the leased land of John Meek. The division between Kalauao and Aiea is the boundary on the east. The highway is the makai boundary and the mountain is the mauka boundary.

The length measured from the highway is one hundred and ninety six fathoms. To John Meek and his heirs born under the King of Hawaii and living in these islands.

This land shall not be conveyed to a foreigner, nor shall spirit be distilled or vended on said land, but he shall live on it in righteousness under the law of the land. In witness whereof I set my hand in Honolulu on this day.

John Ii, sworn, I know the place. The boundaries have been correctly given by Namauu. I have always heard Boki gave claimant the land, and have known him to occupy and build upon it more than 26 years. There were no houses there when he began to build. He took it, fenced it, built on it, &c, and has lived there ever since. I know no opposition to this claim.

[margin notes:] This testimony was taken by President Lee. Note: 26th November Mr. Ii this claim reported the King's acknowledgement of his signature & validity of the instrument, heaving it to the Board to perfect all defects of this. J.H.S.

No. 591, John Meek, July 11th, 1853, Sec. 6 part 1

Chief Justice Lee, states that he called this day on His Majesty, the King, with the Grant presented by claimant for the land called "Kalauao" and that His Majesty reaffirmed the said grant and stated that it was executed some time in the year 1839.

N.T. 388-390v3  
No. 591, John Meek

1. The land transfer document of Kamehameha to John Meek has been viewed (read) and his signature and seal are understood. Therefore, this claim will be set aside until one of the land commissioners shall investigate the granting of this land to John Meek. The document must be taken also for that alone is proof.

2. This property is in Honolulu here. It had been given to John Meek by Poki in the year 1817 and he has lived there since that time to the present.

Namaau sworn by the Word of God and stated, "I have seen John Meek's place here in Honolulu. It is mauka of Chapel St; on the Waikiki side is Punahale's place Mauka, Hotel St. and Ewa, Kaluahinenui's place.

John Meek had received this from Poki just after the arrival of Bingham and has lived there since that time to the present. I haven't known that anyone has objected."

John Ii, sworn by the Word of God and stated, "The boundaries are the same as Namaau has just stated here and I have heard only that John Meek's interest had been from Poki. I think that it was in the year 1826 that the houses had been built. It had been an idle land formerly. It had been enclosed and a well had been dug. He has lived there since to this time. No one has ever objected."

3. "There is another (land) at Kalawao in Ewa. Kamehameha had given (land) in the year 1824 and residence was since then to the present time; however, here is something which is not clear. The date has not been noted in that document; therefore, we will put aside the document for a very short while until there is time to do this work."

4. M. Kekuaaoa, sworn by the Bible and stated, "this land is at Kapalama in Honolulu here and I had heard this. Thomas Meek had mentioned that it had been Kinau's land. John Meek had the land, the fence and all other things. Thomas Meek's interest had been from Kaikioewa, but it is not clear to me when Kaikioewa had given Thomas Meek that place. I think he lived there just as his older brother had and in the same way we had all lived there.

5. Another land is in Waikiki on Oahu here. When we had gone (on a trip) with Haaliho [Haalilio] and the king also, John Meek at this time asked the king for land and the king had

consented to this. It was a cattle raising pasture and we (two) approved just as it has been approved by the king.

The place has been enclosed with a stone wall, The side that is adjoining to my lot has a mud fence;

On the Ewa side is Kekuanaoa's lot

Mauka is the stone wall Kaaihu for the lease land

Waikiki a ditch and

On the makai side is the place for John Ii's attendant.

This place is for none other but John Meek and the Hawaiians who are living there.

See page 399

N.T. 399v3

No. 591, John Meek, from page 388, November 26 [1847]

The king has stated before John Ii of the validity of his grant to John Meek some lands on Oahu; however, the date of the granting is not positive.

## LCA No. 591, 'Āpana 4 to John Meek, Award

(Claim No. 591) John Meek  
Part 1. <sup>see Appendix A for this claim</sup>  
<sup>see 'Āpana 4 'Āpana 4</sup>

This is a Claim for Kolo Land in the district of Kapālama, Oahu; known by the name of "Kuwili".

From the Evidence of H.C. Tuohimānua taken in this claim, it appears, that the claimant acquired this land from his Brother Captain Thomas Meek who, with the consent of the King Kamehameha 2 and Kīna'u the Premier, transferred it to the Claimant, about the Year 1838, and that the Claimant has been in peaceable possession of the same, from that time, down to the present. The witness adds - "the title of Cap: John Meek to this land is the same as my title to lands given me by the King." There is no Evidence before the Board, as to manner or time in which Cap: Thomas Meek became possessed of this land - but from the statement of the Claimant which is undoubtedly correct, this land was given to Captain Thomas Meek by Kāhioewa in the Year 1832.

In the opinion of the Board, the Claimant's Title is rendered perfectly Clear, by the evidence, and the laws enacted for the Government of this Board, and we do hereby award to the Claimant, John Meek a Title, equal to that of any Chief owning lands acquired by Gift from the King - namely, a freehold Title, less than allodial in the land "Kuwili," as bounded and described in the annexed Survey of J. Metcalf Esq: made on 22<sup>nd</sup> of February A.D. 1848.

This title may be commuted for a fee simple title as prescribed by law.

"Notes of Survey of Waiuonaa (Kuwili)  
in Kapālama Oahu"  
Commencing at Mahai S. Corner of this land at Stake and running N. 61° 15' W. 2 Ch. 28 1/2 Ft. along Kuwili loko to slight angle - thence N. 67° 15' W. 1/2 Ch. 10 7/8 Ft. along Kuwili loko to Mahai W. Corner of this land - thence N. 15° 30' E. 3 Ch. 46 7/8 Ft. along

to give him a piece of land at Makiki, for a Cattle pen -  
 that the King - Witness, Kaalilio and Claimant, went to  
 Makiki, when the King gave Claimant this land, which  
 was measured off by Kaalilio and Witness, and soon  
 after fenced by Claimant; and that the Claimant has  
 had peaceable possession of the same from the date of the  
 Gift 1840 down to the present time.

Being of the opinion, that the Claimant's title is  
 beyond dispute we do hereby award to John Alcock the  
 Claimant, a freehold title, less than allodial, in said  
 land; which freehold title he may commute for a  
 fee simple, as prescribed by Law.

The correct bounds of the aforesaid land, are set  
 forth in the following Survey made by J. Hulcalf Esq  
 25<sup>th</sup> February A. D. 1848.

#### **No. 655, John Kahaleaahu, Honolulu, August 23, 1847**

##### **N.R. 325-326v2**

Kaoawai: My claim for a house lot at Kaoawai is what I am petitioning for to you, the Land Commissioners. Kuapuhi was the one who had this place first, and he died. His kaikamahine is living here at this time, not someone else, and his kaikua`ana and makuahine live here also. Keakahiwa, who is his /the deceased/ kaikamahine, is the one who has this place. I, Kahaleaahu, am her kane and I will administer the place. My wahine and the kaikunane and makuahine all decided together that I would be the one to administer it, not themselves, only myself, and they would be under me. If I die, they will regain the administration of their old place.

A portion has been fenced and a portion has not. This is the claim which is explained to you, the people who quiet titles.

I am, JOHN KAHALEAAHU

See No. 663 page 332

##### **F.T. 108-109v2**

Claim 655, J. Kahaleaahu, December 27, [1847]

Kahaiao, sworn, I know this place. It is bounded:

On Ewa side by Kooka's place  
 Mauka by dividing road from Kauaoa's yard  
 Waititi side by Keomana wahine's  
 Makai by land of Aualaloi.

There is no other claim to the place. The claim has been in the family since time of Kamehameha 1st. It has been fenced, and has 3 houses on it. Those living in them are under claimant. He has been in possession ever since 1842. When he dies it is to go to Kaiiau, the mother, Keikikua, the daughter and her son Keekipi.

Nookipi, sworn, the place was given to claimant by me. My sisters and mother, to hold during his life, to revert to us at his death. This was done because he had become our Guardian, being our brother-in-law, and it was better to have only one head. The boundaries agree with the first account.

##### **N.T. 443-444v2**

Claim 655, J. Kahaleahu, December 27 [1847]

Kahaiao, sworn by the Word of God and stated, "This property is at Kaoawai in Honolulu here. I have seen it for I had a house there.

Nakookoo's place is on the Ewa side  
Kauana, toward the mountain  
the konohiki John Young, Waikiki and  
the land toward the sea does not belong to anyone yet.

Ka-haleaahu's parents had lived there during the time of Kamehameha I. The place has a fence and there are three houses there and in the year 1842, Kahaleaahu lived there. He had received it from Kekipi and should Kahaleaahu die, probably then the land would be returned to Kekipi." Kekipi, sworn by the Word of God and stated, "I have seen this place. When our father died, the land was left to us (two) the children and we have given it to Kahaleaahu. Upon his death the land would be inherited by his child with my sister. The reason this place was possessed by Kahaleaahu was because he had become our husband and upon his death the inheritance was for their children. They had two, the second child had died. The boundaries are the same as Kahaiao has just stated."

**N.R. 455-456v2**

Kaoawai

Greetings to the Land Commissioners of the Hawaiian Islands: I, Keakahiwa, am the one who petitions for my claims to my three taro patches. The interest in two patches is very old, from M. Kekuanaoa who was the konohiki from whom I got these patches. I got one patch from Kaniku, the konohiki. Here are the dimensions of the patches from M. Kekuanaoa, who was the konohiki; First patch is, on the north, 26 fathoms 3 feet, on the east, 21 fathoms 1 foot, on the south, 38 fathoms 4 feet, on the west, 12 fathoms 3 feet. The rear patch is, on the north, 31 fathoms 4 feet, on the east, 12 fathoms 3 feet, on the south, 26 fathoms 4 feet, on the west, 7 fathoms 3 feet, that is the first one.

Here is the second:

Kaniku is the konohiki from whom I got this single patch. On the north, 15 fathoms 4 feet, on the east, 15 fathoms 2 feet, on the south 18 fathoms 3 feet, on the west, 3 fathoms 4 feet. These are my claims for which I petition you, the Land Commissioners.

Farewell and eternal thanks,  
 KEAKAHIWA

### **F.T. 236v2**

Claim 826, Keakahiwa, See cl. 550, page 55, March 13 [1848]

Kamakee, sworn, I know this place, consisting of kalo patches in three separate [sic] places in Honolulu.

1. One, bounded
  - Ewa by land of Lai
  - Mauka by a kalo patch of Kaniku
  - Waititi by land of Kaluhe
  - Makai by Kaiwaole's place.

Claimant got it from Kehaleaahu in 1846 without any consideration.

2. The second piece was received in the same way and at the same time, bounded:
  - Mauka by Kapehe's place
  - Ewa by Kanana and Kahaleaahu
  - Makai by Kahaleaahu & a small pond
  - Waititi by Kapehe's place.

These lands belonged to claimant's father, Keoupuhi from whom claimant derived them in time of Kamehameha I. I think he died in 1840 but claimant lived there before.

3. Third lot is bounded:  
Ewa by Kamana  
Mauka by Kahaleaahu's  
Waititi by Kamana  
Makai by Kanaku.

This was derived from Kuopuhi with the other No. 2. I know of no counter claims to either of these lots.

Kaleo, sworn, I know the truth of the testimony which has been given, and have never heard of any claims asserted of an adverse nature.

**N.T. 568v2**

No. 826, Keakahiwa, March 13, [1848]

1. Kamakee, sworn and stated, "I have seen the taro patches of Keakahiwa in Honolulu district.

The boundaries of the first patch are Lai's land, Ewa  
Kaniku's land, mountainside  
Kapehe's land, Waikiki  
and Waiwaiole's land, oceanside.

There is no house there. Keakahiwa had received this from Kahaleaahu and in the year 1846 Kahaleaahu had received this land from Kaniku without any obligation."

2. Second Patch, I have seen (it).  
Kapehe's land, mountainside  
Kanana's house foundation, Ewa, also Kahaleaahu's place;  
Kahaleaahu's bathing pool, toward the sea and  
Kapehe's place, Waikiki.

This is an old patch belonging to Keakahiwa's father, Kuapuhi by name. He had received this interest from Kamehameha I and had lived as a lopa\* since that time. He died in 1840.

3. The boundaries of the third patch are:  
Kamana's land, Ewa  
Kahaleaahu's place, mountainside  
Kamana's place, Waikiki and  
Kaniku's land, oceanside.

This is the second of the old patches that Kuapuhi had owned and Keakahiwa has these patches at this time.

Kaleo, sworn by the Word of God and said, "I have seen these three patches of Keakahiwa and everything about them just as Kamakee has related to you here."

N.R. 598v2**

Greetings to the Land Commissioners: I hereby tell you of my house lot claim at Iwilei in Honolulu. It is bounded on the north by the lot of Paele, on the east by kula, on the south by the lot of Kekai, on the west by a Road.

It was I who made the fence, and four houses are within this lot, which are mine. They have been held peacefully and this month, A. Keliiaho-nui is objecting and is charging a large payment if I live there, therefore I consented not really wishing to go, but because of fear of the burdensome pay-ment. Knowing that I have a genuine claim to this place, therefore I petition you to consider this action by A. Keliiahonui.

I am, with aloha,

 C. N. 1723 B. John Neddles Part 1. (Kapālama)  
 This is a claim for a house lot and premises situated in Palama, Island of Oahu.  
 From the Evidence, it appears that this land was given to the Claimant by Ho. M. Kameha-meha III A. S. 1832, and that he has had peaceable possession of the same from that time down to the present. The Claimant's title is made clear by the Evidence, and we do hereby award to John Neddles, a feehold Estate, less than allodial, or in other words, a *Ulu* Estate for said lot; which feehold estate less than allodial, he may commute for a title in fee-simple as prescribed by law.

#### **Claim 4034, [Robert G. Davis]**

#### **F.R. 176-178v2**

The following is the basis of my claim to a land situated in Palama, near Honolulu, called by the natives, I believe, Havaiiki and also Kumuhahani. This is a kalo land, given to my father, Captain W. H. Davis, one of the first traders here, by Liholiho, King at that time, about 30 or 35 years ago. My father was in peaceful possession of it till his death at this place. It then fell to my late mother, who held it also quietly to her death, when it fell into my hands and my brother's W.H. Davis.

The following are Mr. Metcalf's notes of survey.

"Commencing at rock at northwest corner of stone wall (Papuae) on east side of this land & running

39° West 46 2/12 feet along line between this & land claimed by Nuuanu to auwai. Thence

North 8° 30' East 48 10/10 feet along auwai to stake, thence

North 62° 30' West 2 chains 30 4/12 feet to stake, Thence

North 26° 30' West 63 11/12 feet to stake at auwai corner. Thence

South 34° 15' East 47 1/2 foot to stake at slight angle, thence

South 20° 15' East 1 chain 42 feet stake along land belonging to the King, thence

North 10° East 1 1/2 chains along stone wall to place of commencement including an area of 3 56/100 acres.

There is also a land on the sea side, in front of the above described land, which belongs to it, and called by natives, the 'lihi' of the land, and Kahu - not surveyed.

**No. 4747, Kama, Honolulu, Oahu, November 11, 1847**

**N.R. 325v4**

To the Land Commissioners, Greetings: We hereby state our claim for our house lot, at Leleo, on the east side of Church Street. The boundaries are: on the north, a little road, on the east, the fence of Kuluahi, on the south, the house lot of Kaaiawaawa, on the west, Church Street. My makuas occupied this place in the time of Kamehameha I and on their deaths they bequeathed this place to use and we live there. Two houses stand there which are ours. There have been no objections until this time. I, Kama, also have four lo'i in the land called Koiuiu, also there are some at Kapalama. The four lo'i at Koiuku are not in one place, but are scattered. They have been held in peace under the konohiki.

**N.T. 68-69v 10**

**No. 4747, Kame (See supplementary index, page 280), 4 November 1851**

Umi, sworn, I have seen his place in Koiuiu, Honolulu and Kuapaakea in Kapalama, also Leleo, all on Oahu in five land sections.

Section 1 – 1 house site in Leleo.

Mauka, Kamae's land

Waikiki, Kaapuiki's land

Makai, King Street

Ewa, Konohiki's ¼ acre.

Section 2 – 1 taro patch in Koiuiu.

Mauka, Nua's place

Waikiki, Kekipi's land

Makai, Kamae's land

Ewa, Konohiki.

Section 3 – 1 taro patch in Koiuiu.

Mauka, Kamae's land

Waikiki, and Makai Ninau's Land

Ewa, Kaaukai's land.

Section 4 – 2 taro patches in Koiuiu.

Mauka, Kuapanio's land

Waikiki, Liliha Street

Makai, Nawaa's land

Ewa, Kaahiki's land.

Section 5 – 1 taro patch in Kauipaakea.

Mauka, and Waikiki, a ditch

Makai, Mahi's land

Ewa, Konohikils Friday patch.

Sections 1,2,2, [3] and 4 from Kaaiawaawa before Kinau's death in 1839, peaceful life here for Kama. Section 6 from Mahi before Kinau's death in 1839, Kama has always lived and worked here. Konohiki, Wm. Harbottle and Mahi have objected to this place, Mahi had wanted it for a poalima but Kama had refused. I had seen this patch during the time of Kamehameha I. It was not a Friday, it was for the tenant. Paele had it at that time and he was Wm. Harbottle's dairyman, Mahi succeeded him until a very short while after the death of Liliha, the land was given to Kama. It has not been a koele and Kama has it ta present.

Palupalu, sworn, I have known in the same way as Umi has related here, I have seen section 5 and all of the other sections. These patches have not been a koele to the present day.

**No. 4889, Kalimaiki, Honolulu, Oahu, December 9, 1848**

**N.R. 333v4**

To the Land Commissioners, Greetings: I hereby state my claim for a house site at Ahaikuou in Kapalama, Island of Oahu. The boundaries are: on the north, Nauala, land of Halulu, on the east and south, a kula, on the west, the lo`i of Uku. I occupied this place in the time of Keaniani, the konohiki of Kapalama. One house stands within this place, which is mine. There has been no dissent until this time. I have two other lo`i at Ahikuou in Kapalama; one lo`i adjoins that of Kawelo [LCA 1102], and one adjoins Kuenā's lole pipi lo`i /cattle skinner's lo`i?/. Two also are at Niuhelewai on the north side of the stream. One lo`i adjoins Puaaloa's lo`i and one adjoins Keki's lo`i. They are held under the konohiki in peace.

KALIMAIKI

**N.T. 204-205v10**

No. 4889, Kalimaiki, 24 February 1853

Mose Hoaliku, sworn, I have seen his land sections in Kapalama, Kona, Oahu.

Section 1 - 1 patch at Ahaikuou, ili for Kapalama.

Section 2 - Kahuahale at Kainapuaa, ili for Kapalama.

Section 1:

Mauka, Kanakaole's patch [LCA 1051]

Honolulu, John Neddle's land [LCA 1723-B]

Makai, Stream

Ewa, Nauala, for Konohiki, Kamehameha III land.

Section 2:

Mauka, Kaha's house lot [LCA 1101]

Honolulu, Konohiki P. Kanoa's land

Makai, Ahaikuou konohiki's koele patch

Ewa, Kilikiliana, Henry Zuppleen's land [LCA 275-B].

Kaimaiki's places from Kuku at the time Keaniani was konohiki in Kapalama. Land to Kuku from Moo, Moo's land from Keaniani before the uprising of Kaomi and long before the death of Kinau in 1839. Kalimaiki had lived there peacefully and died on 8 August 1850, probably. These places were bequested to his wife, Kahuhu and children Keoni, Kaneikele, Kahaole and Kualii and they have lived there continuously to this time, no disputes.

Kawaihoa, sworn, I have seen these places of Kalimaiki in Kapalama just as Mose Hoaliku has related here, it is true.

#### Claim 8504, George Holmes, Ohule Counter, No. 856

##### F.R. 18v3

To Board Land Commissioners, &C, Gentlemen, Honolulu, February 11, 1858

I present the following claim to a land called "Kumuulu," situated at Palama, Oahu. This land was given to Oliver Holmes, my late father by Kamehameha Ist 35 or 40 years ago. At the death of my father in 1825 it fell to me, and I have been in quiet possession of it ever since.

Signed, George Holmes

##### F.T. 293-294v3

Cl. 8504, George Holmes

Kaiwiaoao, sworn, I know this land called "Kumuulu" in Kapalama in 3 pieces.

Part 1, Mauka piece - 10 or more kalo patches & a house lot having 1 house occupied by me. It is bounded:

Mauka is land of R.G. Davies

Waititi, Kapuuiki's

Ewa by Opala

Part II is 8 kalo patches.

Part 3, makai lot - 1 kalo patch and a pond.

Claimant's parents got this land from Kamehameha I. They and he have possessed it ever since.

There is no counter claimant except Ohule who has already got an award for a part of the mauka lot. No. 1.

Kama, sworn, confirmed the above testimony.

##### N.T. 664-665v3

No. 8504, G. Holmes, See pg. 105, Vol. 10, No. 1056 Kama, August 23, 1850

Kaiwiaoao, sworn, I am familiar with the land of Kumuulu in Kapalama, his land and its boundaries, this land has three sections.

1. 10 patches, 1 house site with 1 house standing; the boundaries are:

Mauka, land of R. G. Davis

Waikiki, land of Kekai

Makai and Ewa, land of Naopala.

These boundaries given above have Ohule's two sections in it too, but when this section is surveyed, a separation of Ohule's land would be possible and the remaining land would be for G. Holmes.

2. 8 patches: The boundaries are exactly as the survey by A. G. Thurston as shown on the map.

3. 1 patch and 1 fish pond: It is exactly as the map, the boundaries of which were surveyed by A. G. Thurston.

Kama, sworn, I have heard clearly the testimony given by Kaiwiaoao and I have known in the same way. No one has objected except for Ohule's two land sections yet he had received them from his grandparents.

G. Holmes had received his interest from his parents in 1825 and he has lived comfortably. During the Mahele in 1848 the land was granted to him permanently by King Kamehameha III.
