RE: Final Treatment Plan for Cultural and Historic Resources at Aloha Stadium Station, Honolulu Rail Transit Project

Dear Mr. Grabauskas:

Thank you for the opportunity to review the Final Treatment Plan for Cultural and Historic Resources at Aloha Stadium Station. The above cited final treatment plan satisfies Stipulations I, II, IV, VII, and VIII of the Honolulu High-Capacity Corridor Project Programmatic Agreement [January 2011] for the Aloha Stadium Station. We approve the final treatment plan for mitigating adverse effects caused by the construction of the Aloha Stadium Station with the following condition. All final copy for educational and interpretive programs, materials, and signage developed for Aloha Stadium Station under stipulation VII must be submitted to SHPD for review and approval.
