Dear Councilmember Kobayashi:

As requested by Councilmember Harimoto, attached you will find the general floor plan for the consist or two rail vehicles submitted by Ansaldo Honolulu JV. There are 64 fixed seats and 12 flip up seats in each consist. In response to a question raised by Councilmember Berg, we note that any future consideration of adding more seats will result in a change order and increase in costs.

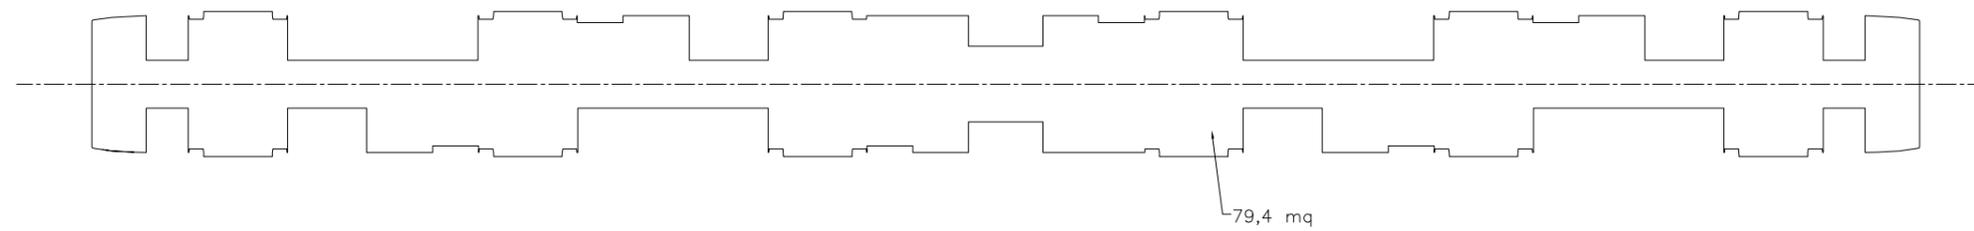

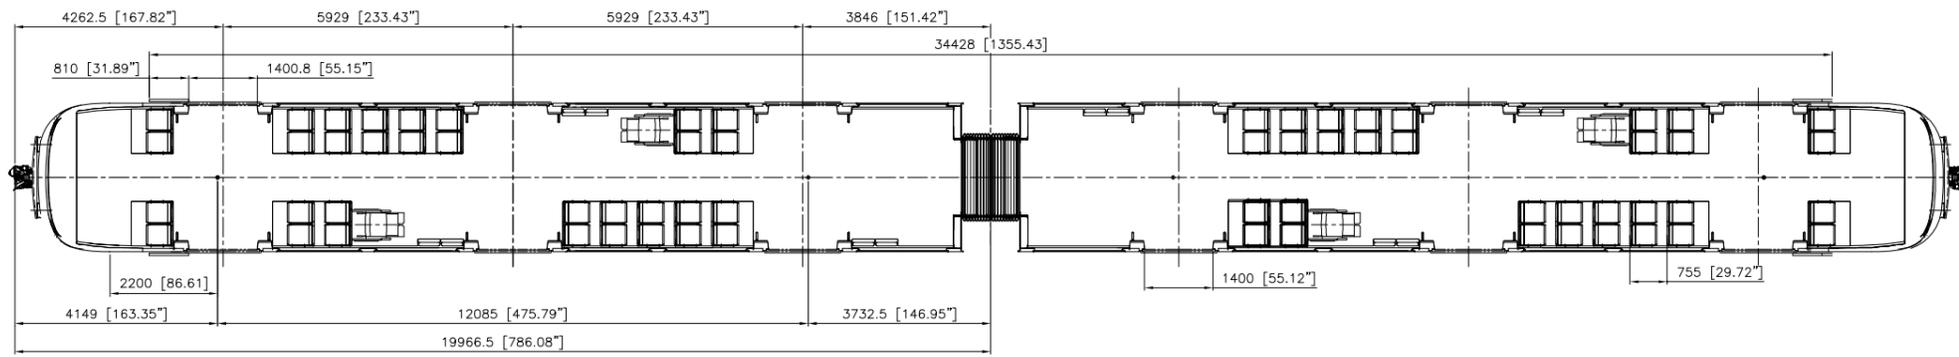

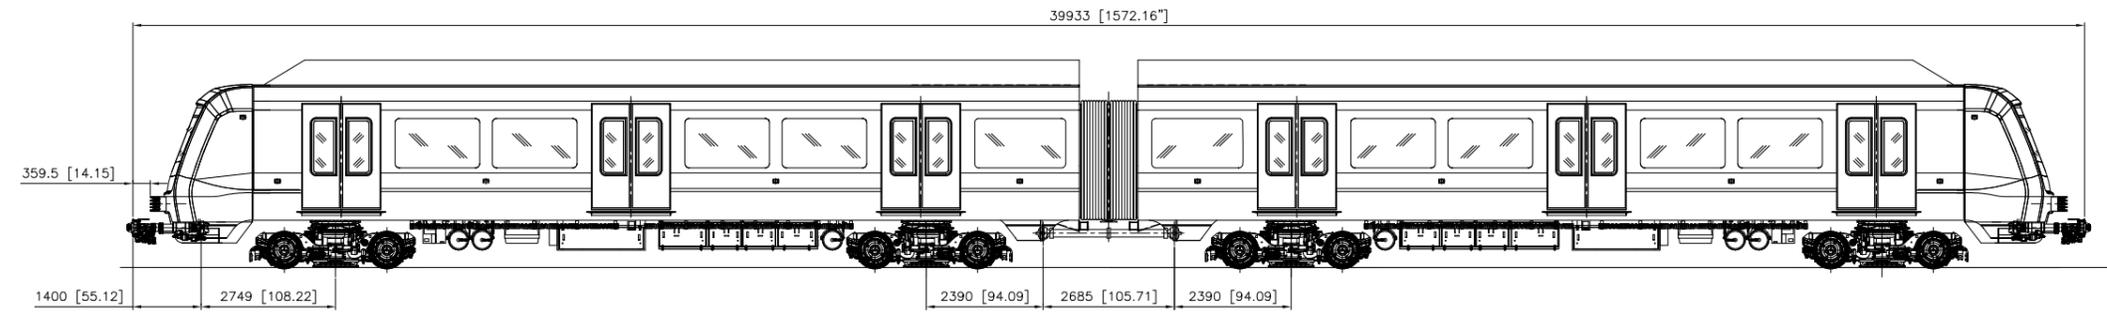

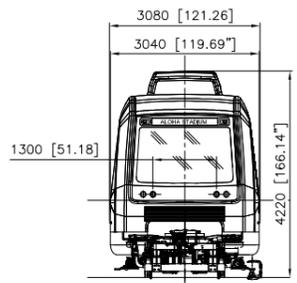

If you should have any questions, please do not hesitate to contact me.

Sincerely,

Daniel A. Grabauskas  
Executive Director and CEO
