Dear Councilmember Berg:

This is in response to your April 4, 2012, memorandum regarding parking fees and/or rates for the Honolulu Rail Transit Project.

Question: What will it cost to park a vehicle in the parking garages for rail?

Response: The analysis included in the Final Environmental Impact Statement for the Honolulu High-Capacity Transit Project assumes that there will be no charge for parking a vehicle in the project park-and-rides.

Please do not hesitate to contact me should you have any further questions.

Sincerely,

Daniel A. Grabauskas
Executive Director and CEO
