Dear Chair Martin and Councilmembers:

This letter is to provide an update to the job creation information we provided in a letter dated April 24, 2012. This update is a result of information recently provided by Kiewit and specifically addresses numbers of jobs, as well as re-tallies totals previously provided.

To date, there are approximately 508 full-time positions that have been created on island directly in support of the transit project. This includes positions in the Honolulu Authority for Rapid Transportation (HART), the General Engineering Consultant (GEC), the Project Management Support Consultant (PMSC), as well as contractors, Kiewit and Ansaldo. The specific breakdown is attached.

If you should have any questions, please do not hesitate to contact me.

Sincerely,

Daniel A. Grabauskas
