

PUBLIC NOTICE

HONOLULU RAIL TRANSIT PROJECT PROPOSED DISADVANTAGED BUSINESS ENTERPRISE GOAL

The Honolulu Authority for Rapid Transportation's (HART's) proposed project Disadvantaged Business Enterprise (DBE) participation goal for the Honolulu Rail Transit Project (Project) is 13%.

The proposed Project DBE goal and its rationale have been developed in accordance with the Federal Transit Administration's regulations 49 CFR Part 26. Information pertaining to HART's proposed Project DBE goal is available for inspection from 8:00 AM to 4:00 PM, Monday through Friday, except holidays, for thirty (30) calendar days from the date of this notice at the following address:

Honolulu Authority for Rapid Transportation
Alii Place, 17th Floor
1099 Alakea Street
Honolulu, HI 96813

Any comments concerning HART's proposed Project DBE goal should be sent to the above-mentioned address attention: Charles L. Bayne, HART DBE Liaison Officer. Comments will be accepted for forty-five (45) days from the date of this notice.

Interested DBE firms are encouraged to contact HART's DBE Liaison Officer at the above address regarding the Project's contracting opportunities.
