TRAFFIC ADVISORY: LANE CLOSURES FOR HONOLULU RAIL TRANSIT PROJECT

The Honolulu Authority for Rapid Transportation (HART) wants to inform drivers of lane closures next week related to design work for the Honolulu rail transit project. Motorists are advised of work in the Pearl Harbor and airport areas that will require lane closures during non-peak traffic hours.

For the safety of both the work crews and motorists, the public is advised to proceed with caution through these areas. Drivers should anticipate possible traffic delays or use alternate routes during work hours, and provide a safe distance between themselves and the workers and equipment.

Lane closures will take place at the following locations on Monday, June 10, and from Wednesday, June 12, to Friday, June 14, between 8:30 a.m. and 3 p.m.:

- **Kamehameha Highway between Arizona Street and Radford Drive along the median in the east-bound and west-bound directions**

Curbside parking will be restricted at the following location on Monday, June 10 and from Wednesday, June 12, to Friday, June 14, from 8 a.m. to 3:30 p.m.:

- **Along Waiwai Loop**
- **Along Ualena Street**

No work is scheduled on the King Kamehameha Day holiday, Tuesday, June 11.

For updates on work days and times, visit the project website at www.honolulustransit.org or contact our hotline at 566-2299.
