

HART

HONOLULU AUTHORITY for RAPID TRANSPORTATION

HART WEEKLY eBLAST | NOVEMBER 14, 2014

READY TO ROLL

You're invited to join the city's Department of Planning and Permitting and the Urban Land Institute a week from tomorrow, Saturday, November 22 at the Blaisdell Center for the 2014 Transit-Oriented Development (TOD) Symposium.

Transit-oriented development is a type of community development that includes a mixture of housing, office, retail and other amenities integrated into a walkable neighborhood and located near rail stations and quality public transportation.

Learn about current TOD plans and new ideas for neighborhood design, streets, housing and financing for TOD. Participate in a great discussion with local and national experts on what more people can do together to support great TOD communities on Oahu.

The symposium will also feature several fun, interactive and hands-on activities to get ideas on project priorities and new policies.

The 2014 TOD Symposium will run from 8:30 a.m. to 2:30 p.m. The event is free and open to the public. For more information and to register visit www.TODHonolulu2014.eventbrite.com

See you next Saturday.

HONG REAPPOINTED TO HART BOARD

William "Buzz" Hong has been reappointed to a new five-year term on the HART Board of Directors.

Hong is the former executive director of the Hawaii Building and Construction Trades Council and chairs the HART Board's Transit-Oriented Development Committee.

Congratulations Buzz.
