HONOLULU AUTHORITY for RAPID TRANSPORTATION

HART WEEKLY eBLAST | APRIL 24, 2015

TRACKING THE RAIL PROJECT

You can track the progress and the finances of the rail transit project through HART's Monthly Reports which are available on our project website at www.HonoluluTransit.org

The reports are also reviewed by the HART Board of Directors during its monthly meetings which are open to the public. The meetings are now aired live on Olelo 55 and streamed live via the internet.

The report contains project progress and financial information for each of the contracts currently awarded for work on the rail system. It also lists some of the risks and challenges the project has overcome as well as those that still might lie ahead.

You can read the March 2015 Quarterly Report [here](#).

And check back often to stay up to date on the Honolulu rail transit project.

HART BOARD MEETINGS AVAILABLE ON OLELO

The HART Board of Directors has adopted a resolution that now allows for the cablecasting of the meetings of the Board and its committees on Olelo Community Media.

The meetings will be carried on Olelo Channel 55 and re-aired at least 3 additional times, as well as archived on Olelo's website, www.olelo.org.

HART is also working to allow for closed captioning of future HART Board meetings.

HART Board Chair Ivan Lui-Kwan said, "HART thanks Mayor Kirk Caldwell, Councilmember Trevor Ozawa, and Olelo for working to make HART meetings more available to the community."

HART TO RECEIVE \$65 MILLION IN GET COLLECTIONS

The Honolulu Authority for Rapid Transportation (HART) will receive more than \$65 million in General Excise and Use Tax (GET) revenue for the first quarter of 2015.

With the receipt of the \$65 million for the months of January, February and March, total GET revenue for the Honolulu rail project now stands at \$1.47 billion.

The half-percent GET surcharge dedicated to the Honolulu rail system was levied beginning in January 2007.
