2016 First Hawaiian International Auto Show

Cars, motorcycles and trains at the 2016 First Hawaiian International Auto Show! The event kicks off Friday, March 18 at the Hawaii Convention Center, showcasing more than 350 new cars, trucks, SUVs and motorcycles.

Honolulu Rail Transit Project booth at the 2016 First Hawaiian International Auto Show

While you are looking for your dream car this weekend, stop by and visit the Honolulu Authority for Rapid Transportation (HART) booth and learn about our rail cars and your new rail transit system.

The Honolulu City & County's Department of Planning and Permitting team will also share with you the landscape of the Ala Moana neighborhood as it changes into a Transit-Oriented Development (TOD).

HART is located next to the iHeart Radio Honolulu booth

HART staff will be on site to provide information about the rail project and answer any questions you may have.

We know you will find us. To make it easier, we are located behind BMW vehicles and iHeart Radio Honolulu's Spin + Win booth!

- Saturday, March 19: 10 a.m. to 10 p.m.
